ABOUT US

Established in 1949, SNM Group is an ISO 9001:2015 certified company with a legacy of excellence spanning over seven decades. Headquartered in New Delhi, we have earned the reputation of being one of India's most trusted and preferred suppliers of right electrical equipments. Our unwavering commitment, passion and pursuit of excellence has positioned us as a leading name in the industry.

At SNM Group, we offer a comprehensive portfolio of products under one roof, catering to diverse project requirements across sectors. As pioneers in trading and stocking premium electrical products, we offer a wide range that includes Compact Substations, Gas Insulated Substations, HT Circuit Breakers, Power & Distribution Transformers, DG Sets, Cables & Wires, Protection Relays and related accessories.

Driven by innovation, quality and customer satisfaction, we provide reliable and high-standard solutions for Government, Commercial, Industrial, Residential, and Solar projects across India.
